Hunter

See below price for the stiles at Watts Peninsula of \$975 / stile. Other notes regarding painting to assist people moving towards them instead of still jumping the fence seems like a good idea. I assume by the discussion Paul had with Henri that she still hasn't provided numbers and locations.

Let me know how you want to proceed. I still think it is better that she tells you how many before we go ahead, rather than her discussing with Paul, but happy for your thoughts.

Kind regards | Ngā Mihi Nui

Hi Alistair

The price to erect per fence stile at Watts is \$975.26, price includes:

Labour and plant
Timber
Paint

I have included a photo of a similar fence stile, which would only have one up-right to help with access and the steps treaded through the existing fence.

I had Talked to Henri at the beginning of the contract regarding Stiles, and suggested we paint the post and edge of the step yellow to give a better visual indication where walkers can access over fencing. She is more than willing to show where the public cross fencing this hopefully will encourage better management of the public and reduce fence damage.

Cheers

Paul
