Response to your official information request

Thank you for your official information request received on 21 March 2024 for the Assessment report and entire submitter application (including all appendices) for cases 201420097, 201510067 and 201710102.

Further to our response letter of 4 April 2024, this response letter concerns the release of the application form and assessment report for overseas investment case 201710102.

We are of the opinion that good reason for the withholding of the information exists under the following sections of the Official Information Act 1982:

- 9(2)(a) to protect the privacy of natural persons;
- 9(2)(ba)(i) to protect information which is subject to an obligation of confidence or which any person has been or could be compelled to provide under the authority of any enactment, where the making available of the information would likely prejudice the supply of similar information, or information from the same source, and it is in the public interest that such information should continue to be supplied; and
- 9(2)(b)(ii) where the making available of the information would be likely unreasonably to prejudice the commercial position of the person who supplied or who is the subject of the information

We are of the view the withholding of the information is not outweighed by the public interest to make that information available.
