We are of the opinion that good reason for the withholding of some information exists under the following sections of the Official Information Act 1982:

- 9(2)(a) to protect the privacy of natural persons; and
- 9(2)(b)(ii) where the making available of the information would be likely unreasonably to prejudice the commercial position of the person who supplied or who is subject of the information.

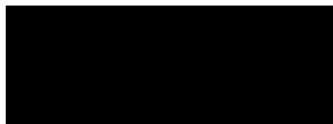

We are of the view the withholding of the information is not outweighed by the public interest to make that information available.
