Kia ora [s 9(2)(a)]

Thank you for the Statement of Work.

We are happy to proceed based on what you have provided.

As discussed we are looking to do a variation to the contract we had in place for the services you provided in 2023. With the move to Onside, will your invoicing still come under Inside? Or is it likely we will need to set up Onside as a new supplier from our end?

Ngā mihi
Lizzie

Morena [s 9(2)(a)] and Lizzy,

Hope you are both having a good week so far.

Please find attached the "Statement of Work" document regarding the Expression of Interest (EOI) support requested by LINZ from Onside. This document encompasses our proposed pricing model for the required work along with the outlined timeline for its execution.

Concerning the 1:1 session catering for up to 20 individuals, Onside wishes to clarify our pricing structure. We understand that the sessions may not be attended by the entire group of 20 individuals. Therefore, we would like to emphasise that Onside will only invoice for the number of employees who opt to participate in these sessions. However, it is noted that our pricing reflects the anticipated attendance of all 20 individuals, as per the initial request.

If the attached SOW meets your expectations, please confirm that you are happy to proceed, via email would be perfect thank you.

Should you have any questions, require further clarification, or wish to discuss any aspect of the proposal in detail, please do not hesitate to reach out to either myself or [s 9(2)(a)].

Thank you for the invitation to submit this proposal. We look forward to the opportunity to collaborate with LINZ on this project.

Best,

[s 9(2)(a)]
