Response to your official information request

Thank you for your official information request received on 20 November 2024 for the Alodial Title including the facsimile for Section 2 Block 5 Hurakia Waimiha S D.

Toitū Te Whenua Land Information New Zealand (LINZ) has no information to suggest that any additional facsimile or copy of the referenced documents exist. Therefore, your request is refused under Section 18(e) of the Official Information Act as the information requested does not exist. The documents you provided include what exists in relation to that reference.

Regarding your request for the 'Alodium Title', this indicates a form of historical document type or concept. If you are seeking an investigation into any prior records or historical analysis of documentation, it is recommended that a status investigation or report from an accredited supplier who can undertake these services is sought, as this is not a service that LINZ provides. A list of accredited suppliers can be found here: <https://www.linz.govt.nz/products-services/accredited-suppliers/search-accredited-suppliers>

If you wish to discuss this decision with us, please feel free to contact ministerialsupport@linz.govt.nz.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

As advised in our acknowledgement of 6 December 2024, the response to your request, **with any personal details withheld**, will be published on the Toitū Te Whenua Land Information New Zealand website. This is likely to be published by 31 January 2025.
