Please return this form with the satisfied requisition, including replies and comments, and ensure all changes made have been clearly identified.

Please contact Customer Support 0800 665 463 if you have any queries regarding this notice.

Issued by George, Ron (AS) for Area Manager

#### Requisition Items:

C03A - A resubmission fee of \$119.00 is payable under the current fees schedule and will be charged to your Landonline account on the return of this CSD.

Surveyor's Comments:

M19C - M19C Adopted Information does not match source

Additional Comments: Please report further on how the SE bdys (in locality of (1) SO 1515) of Sec 7 have been determined from SO's 1515, 6503 & 6507. Please check and amend the distance captured as 44.26 between Peg (1) SO 1515 and Peg XIII B SO 6407. The source plan SO 1515 shows this distance as 226 links. Also check and amend the adopted bearings between Peg XIII B (SO 6407 and Peg XIV SO 6407 and Peg (1) SO 1515 and Peg (2) SO 1515.) The bearing correction applied does not agree with what has been reported. BEARING HAS BEEN AMENDED

Surveyor's Comments: BY 10" BETWEEN

ON THE REQUISITIONED PLAN BEARINGS & DISTANCES WERE ADOPTED FROM THE MAIN BODY OF SO 1515, ON FURTHER INVESTIGATION I NOTE B'DYS SHOULD OF BEEN ADOPTED FROM THE DIAGRAM IN THE MARGIN OF SO 1515. FROM THIS DIAGRAM IT IS NOT POSSIBLE TO DEDUCE DISTANCES THEREFORE I HAVE CORRECTED SO 446319 TO SHOW "DISTANCES UNKNOWN" ON THE APPROPRIATE BDYS.
